Remand Proceeding*

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, CompTel/ASCENT ("CompTel") hereby gives notice that on November 23, 2004, its representative and a representative of its member company Integra Telecom, met with Jeffrey Carlisle, Chief, Wireline Competition Bureau, and Pamela Arluk of the Wireline Competition Bureau. In this meeting, Integra discussed its November 16<sup>th</sup> filing, generally. Specifically, Integra focused on its proposed analytical framework for transport unbundling. Integra also explained why it would be appropriate for the FCC to clarify that any relief from loop unbundling for new architectures should be limited to residential customers.

Representing Integra, via teleconference, was Greg Scott, Vice President, Regulatory Affairs. Representing CompTel was the undersigned attorney.

Sincerely,

Jonathan Lee  
Sr. Vice President  
Regulatory Affairs
